Kwanzaa – What Is It?

Kwanzaa is a special African-American cultural celebration. It takes place from December 26 through January 1. For seven days and seven nights, families and friends celebrate the richness of African-American culture.

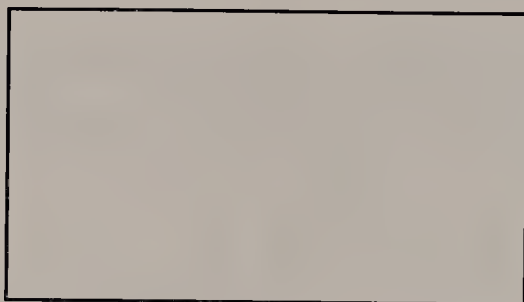

Connect the dots from 1 to 61 to complete this picture of the Kwanzaa table.

The Swahili name for the object in the center is *kinara*. Find a matching sticker for this page.

Seven is an important number for this holiday. There are seven days of Kwanzaa. The kinara has seven candles, one for each day. There are seven principles of Kwanzaa. The word Kwanzaa has seven letters.

Cross out all the letters with equations that do *not* equal 7. The leftover letters spell out the translated meaning of Kwanzaa. Write each of these letters on the blank lines below. Then reward yourself with a sticker for your *terrific* work.

Fruit Find

Different fruits are eaten during Kwanzaa.

There are five fruits hidden in the picture. Color in the spaces with dots to find the tasty treats.

Find a matching sticker for this page.

***Habari Gani* - What's the News?**

At Kwanzaa time, we begin each day with the Swahili greeting, "***Habari Gani?***" That means, "What's the news?" The answer is one of the seven principles of Kwanzaa. *Umoja* is the first principle. *Umoja* means *unity*. We help each other.

Color the picture any way you like and find matching stickers, too.

The Unity Candle

On December 26, we light the first candle in the kinara. We light the black candle in the middle, which is the unity candle. Three green candles and three red candles are on either side.

Find a matching sticker and paste it on the page.

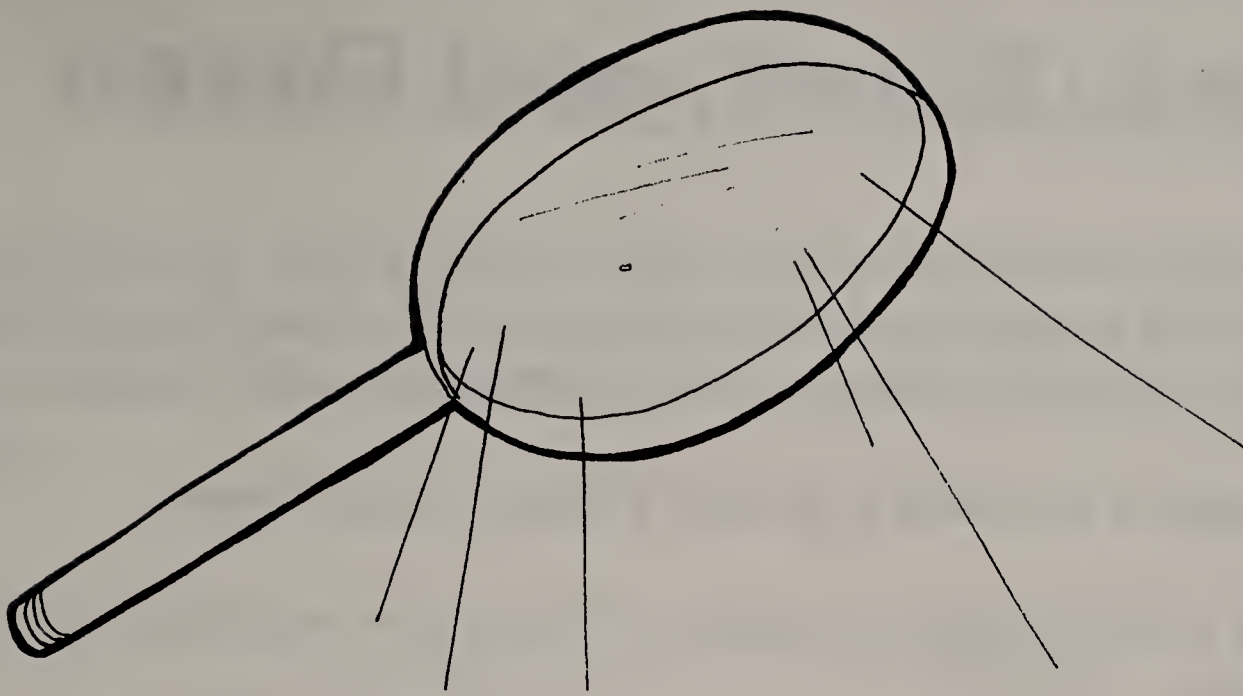

Principles of Kwanzaa

Nguzo saba means seven principles. The seven Kwanzaa principles are listed on the calendar.

Find the correct stickers to fill in the missing dates for the seven days of Kwanzaa. Then find the principles in the puzzle. Look up, down, forward, and diagonally. Circle each word as you find it.

Red, Black, and Green

The colors for Kwanzaa are red, black, and green. Red stands for the blood of the people and their struggles. Black is for the color of the people. And green stands for their hopes for the future.

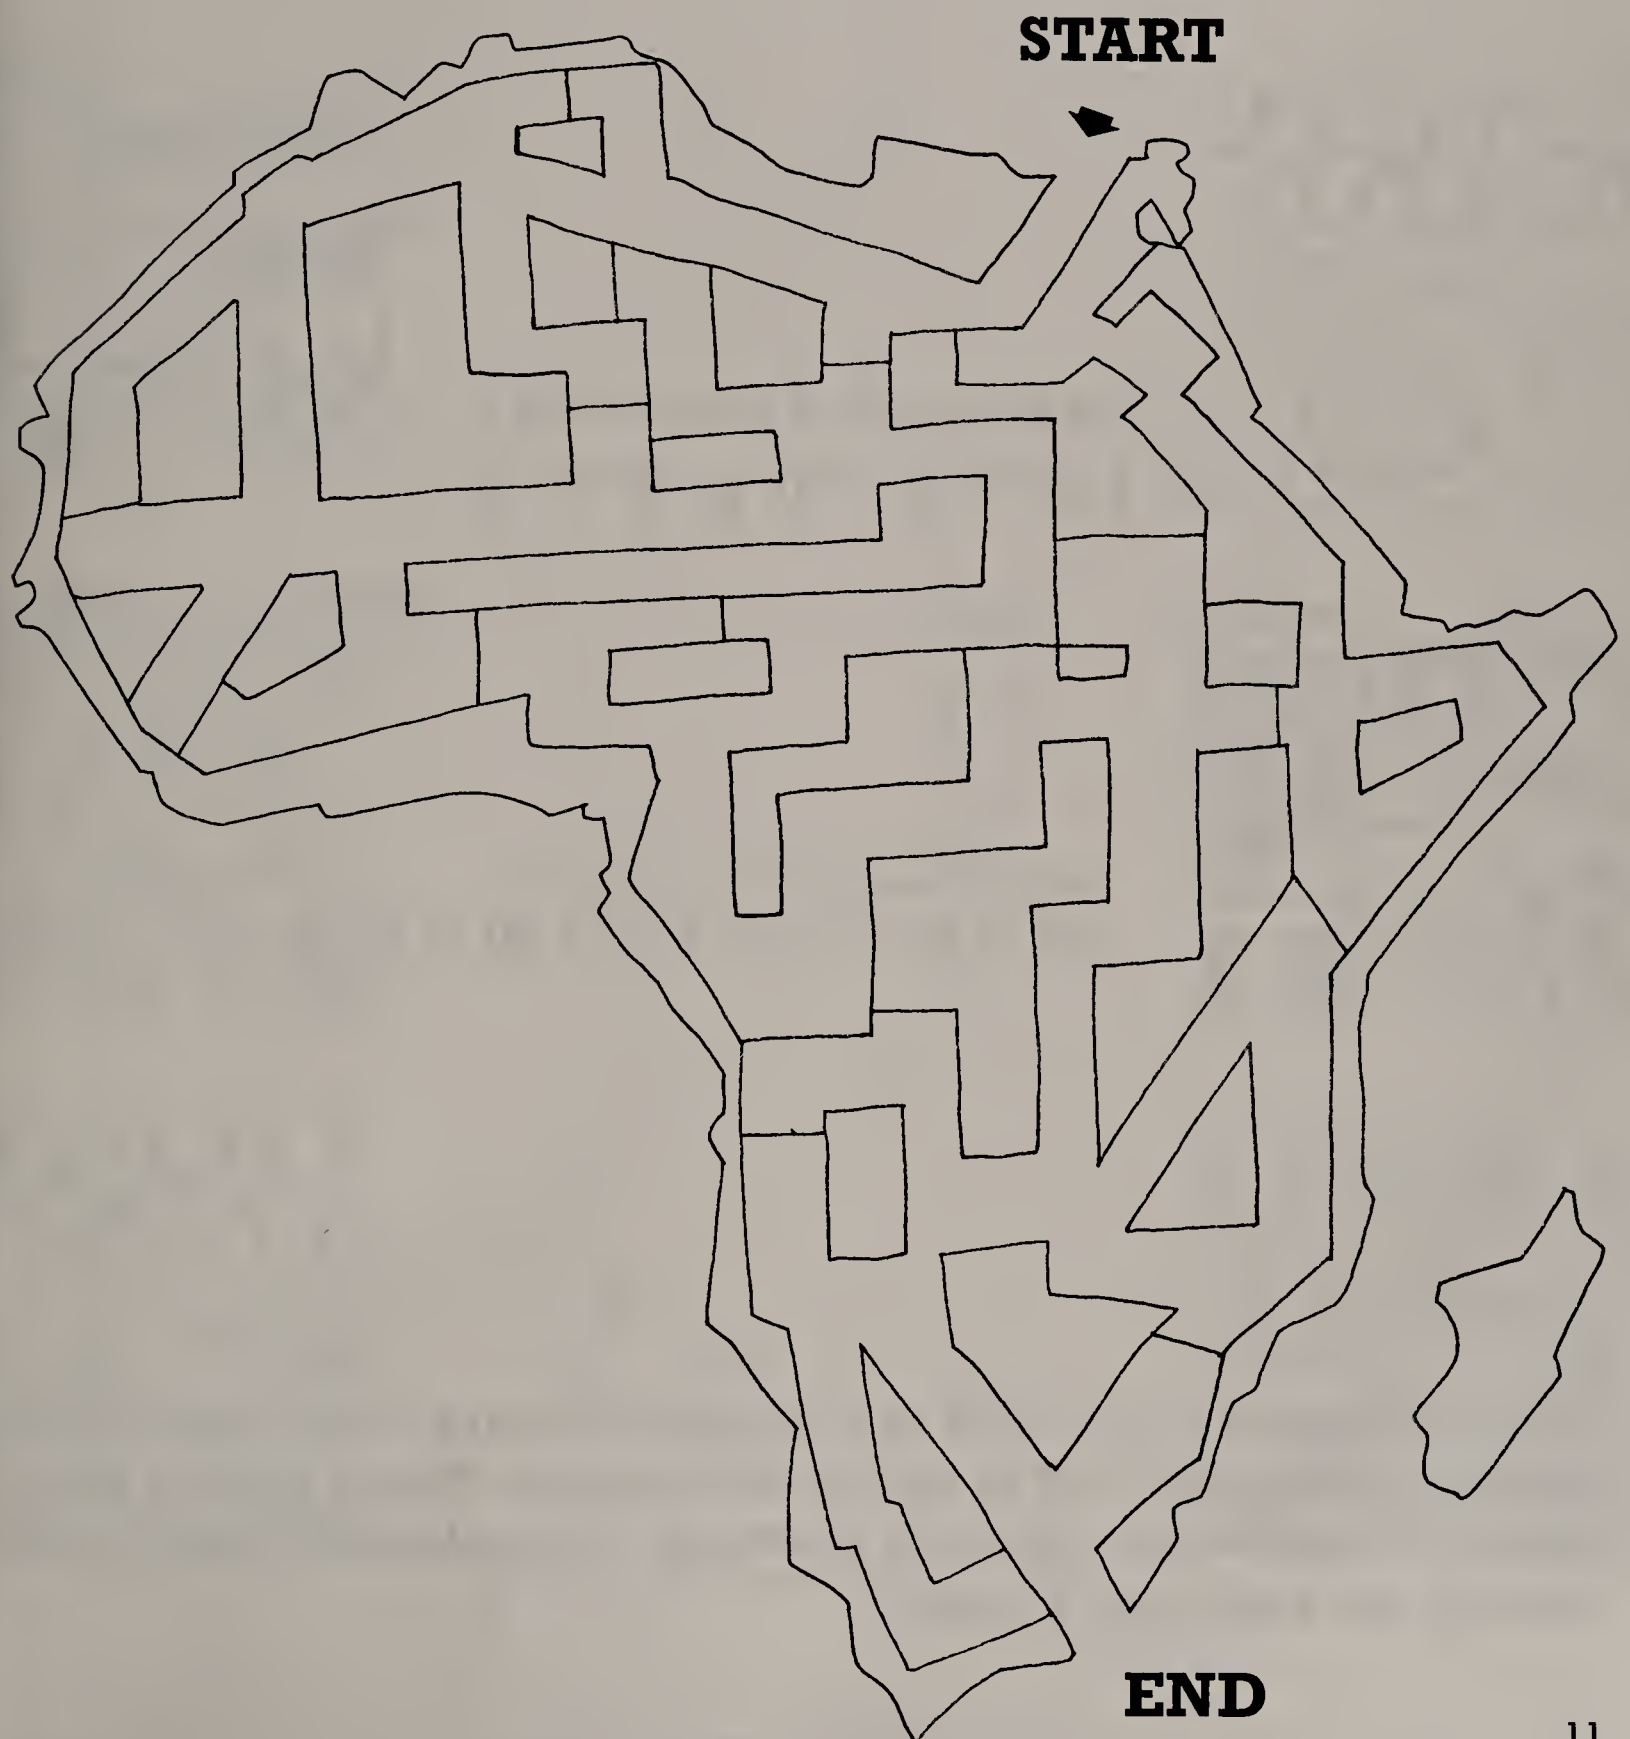

Color the space marked X green, Y black, and Z red.

The Swahili word for flag is *bendera*. **Place the bendera sticker on this page.**

The homeland for people of African descent is the continent Africa. **Can you find your way in the maze from northern Africa to southern Africa? Reward yourself with a medal sticker when you're done.**

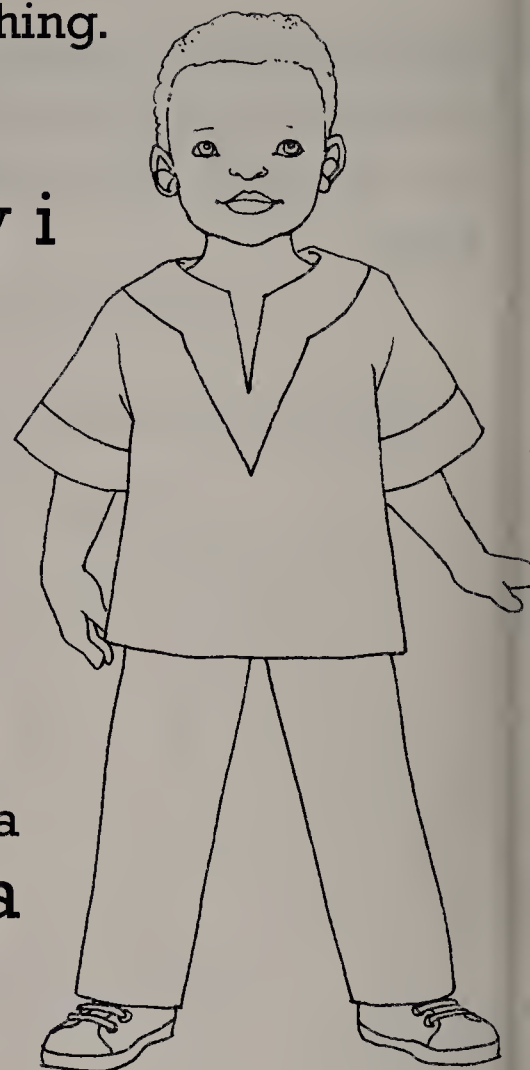

Kwanzaa Style

For Kwanzaa, people dress in African style clothing.

_____.

A girl may wear a skirt called a

and a headpiece called a
